To, The Chairperson,
MVN School, Aravali Hills,
Faridabad.

Subject: Complaint against change of Uniform.

Dear Sir/Madam,

We (Annoyed Parents) wish to apprise you with our discomfort on the Unilateral decision taken by your School management in regard to the change of Uniform till class Vth; therefore seeking clarification on following fundamental issues, we have:-

1. Why did School authorities decided to change the Uniform in middle of Session & that too up to Vth Standard? Pl. appreciate we (Parents) who are sending their kids to study in MVN really praise the quality of education, MVN provides a known far; which is why could not understand how come School like MVN is taking Unilateral decision?
Schools are registered as 'Non Profit Organisation' Under 'Society Act'; which also clearly defines that any such major change in the on-going system require consent of 2/3rd majority and parents needs to be taken in confidence before passing such decision? However School management did not even invite parents for their Consensus?
2. Even if management felt to change the Uniform, what is the value addition expected by adding a brand like "addidas" into it? Please appreciate one set of uniform is costing us approx. 4000/- which means for parents who are sending two kids to MVN & will buy minimum 2 sets of uniform for each kid will have to spend Rs. 16-20k?; just because the uniform is branded by "Addidas", Please.....
We are sending our kids to MVN for Quality Education and not to see them wearing 'branded uniform'.
3. Since the new uniform is applicable till Class Vth; our children who are already studying in Class Vth, why are we being forced to spend money just for 5 months remaining in the Session?
4. Over & above our discomfort on the fundamental issue? would
